Annual Report (2016 – 17)

Annual Report (From July, 2016 to June, 2017)

Accreditation by NAAC: The Event of the year

The session 2016-17 is a milestone year in the history of Sammilani Mahavidyalaya. This year the college has acquired the status of an accredited institution for the second time and we have been able to secure B++ grade with a CGPA of 2.82. This is definitely a noteworthy improvement over the B grade obtained at the time of the first cycle of accreditation in the year of 2005. A three member Peer team visited the college on 10th, 11th and 12th of November, 2016, to conduct the assessment process. Although a little nervous, we enjoyed every bit of the event - from the inaugural lamp lighting ceremony to a day long interaction with different departments, committees, and cells, a surprise visit to the library, a cultural programme in the evening, document verification, inspection of facilities and support services and finally the heart-warming speech by the chair person during the exit meeting. We had been enriched a lot in course of the close interactions we had with the esteemed members of the Peer team. Each and every person involved with the institution had put in his/her best effort to make the event a successful one and we believe that the members of Sammilani family will maintain this spirit in future as well.

NAAC accreditation is our prime achievement, but there are also some other events worth to be mentioned in this annual report. Before going into detail of such events, we would like to present here a glimpse of our organizational structure.

Activities of the IQAC:

To maintain and upgrade the internal Quality, the IQAC has worked diligently throughout the session 2016-17.The activities of IQAC during this period may be outlined as:

- IQAC efficiently coordinated the entire process of onsite visit of the members of NAAC Peer Team in November, 2016 and supervised each and every detail of the event.
- Under the initiative of the IQAC renovation of Principal's chamber, Office rooms and IQAC room was completed within stipulated time.

- The IQAC took initiative to introduce a certificate course on Communicative English.
- Upgradation of the facilities of Girls' Common room is another initiative taken by IQAC during the session 2016-17.
- Under the guidance of IQAC smart class facilities have been installed in the rooms already specified for the said purpose.
- The IQAC supervised the process of setting up of the Botany General laboratory and the laboratory sponsored by BOOST.
- IQAC supervised the promotional processes of ten incumbents on the basis of which promotions were granted to them by the Higher Education Council, Government of West Bengal.
- In the session 2016-17 the process of digital accession of the books of library using KOHA has been started under the initiative of IQAC.
- An interdisciplinary peer reviewed college journal '*Introspect*' was published in October, 2016.
- IQAC organized a visit to a local old age home, '*Seva*' to boost up the elderly people mentally.
- The other activities of IQAC during 2016-17 include enhancement of ICT facilities of the UGC sponsored Net Resource Centre, preparation of a report on environmental and financial impact of installation of solar power generation unit, development of the existing sports facilities etc.

Another interesting observation in this connection is that the percentage of girl students has increased by 2.83 from 2015-16 to 2016-17. Considering the under privileged socio-economic background of the students the trend is quite encouraging.

Commencement of Classes and Orientation Programmes:

The new academic session started from 1st July, 2016, but classes commenced on and from 22nd July, 2016.

Stream wise Orientation Programmes were organized by the IQAC at the beginning of the academic session for the newly admitted students to make them aware of the rules and regulations of the college. The Orientation Programme for the students of Arts and Science Faculties was held on 28th July, 2016 and for the students of Commerce faculty on 29th July, 2017.

A separate Library Orientation was also organized on 11th August, 2016 to make them conversant with the rules of library and the reading and lending facilities they are entitled to enjoy as the bonafide students of the institution.

Result:

The performance of our students in the University examinations of 2016 is quite satisfactory. The percentage of students who have obtained first class in different Honours subjects is also appreciable. A brief statement of performance of the students of our institution in the final examination (Part III) of the University of Calcutta is presented below:

Laboratory under the scheme of BOOST:

The Department of Biotechnology (DBT), West Bengal had sanctioned a prestigious grant (a grant of Rs. 20.00 lacs for Phase I) under Biotechnology Based Opportunity Offered to Science and Technology Department (BOOST) scheme to the Department of Microbiology and Molecular Biology in the session 2014-15. This is for enhancing the facilities of undergraduate practical teaching in the said subjects and allied ones. The work of setting up of a well-equipped laboratory and installation of necessary instruments purchased utilizing the grant released has already been completed and the students are now enjoying the facilities. Dr. Sharmila Chakraborty has been working as the Project Co-ordinator.

Placement and Training for the students:

The Placement cell of the College organized the following programmes in the session 2016-17:

Sl. No	Date	Programme	Organizing Body	Participants
1	16.12.2016	Aptitude Test	Edmiron Technologies Pvt. Ltd.	3 rd year students of B.A, B.Sc. and B.Com courses.
2	16.12.2016	Counselling session	Eastern Institute for Integrated Learning	3 rd year students of B.A, B.Sc. and B.Com courses.

Scholarships and financial assistance:

During 2016-17, the institution provided financial assistance to about 31 needy students through its free studentship scheme. It is to be noted that all the students applied for the benefit had been granted with the same. Quite an appreciable amount had also been sanctioned by the Government of West Bengal under its Post-Matric Scholarship scheme for the financially backward students of our institution. Some private organizations also came forward in this regard.

Session	Financial support from the institution		Financial support from other sources	
	Number of students benefited	Amount (INR)	Number of students benefited	Amount (INR)
2016-17	31	19050.00	01	3600.00

New Smart Class Rooms:

Two class rooms (one each for Arts and Science Faculties) had been upgraded into Smart Class rooms. Besides, under the initiative of the Post Graduate Study Centre for Distance Education, Vidyasagar University, another Smart Class room was set up in the Department of Geography.

Introduction of Certificate course on Communicative English:

A three months' Certificate Course on Communicative English has been introduced since 16th September, 2016 under the initiative of the IQAC to enhance the communicating skill and proficiency in English of the students. The course is financially sponsored by the college and no fee is collected from the students in this regard. The infrastructural and equipment facilities of the Language laboratory are being used for this purpose.

Energy Reduction Initiative:

The institution is always in favour of 'Go Green' initiatives and has installed a solar power generating unit at the roof top of the college building on 3rd March, 2016 which was sponsored by the Ministry of Power, Government of West Bengal. Installation of this solar panel has reduced the consumption of electricity to a considerable extent as revealed by the analysis of last twelve months electric bills. A report has also been prepared by the institution on this, where the energy reduction issue is presented in detail with supporting data.

Generation of Bio-fertilizer within the college campus for in-house consumption:

This is another eco-friendly initiative. The organic wastes generated within the premises of the college including the leaf litter, twigs etc. are collected in a pit, constructed at one end of the campus, which after decomposition is converted into bio fertilizer. This bio fertilizer is applied to the plants grown in the front garden of the college. Thus the process serves in two ways: it solves the problem of disposal of organic wastes and at the same time reducing the use of chemical fertilizer makes the environment pollution free.

Beginning of a yoga session for the students:

To ensure healthy mind and body, weekly Yoga classes for the students are going on since September, 2016. A considerable number of students have joined the course and are attending the classes with great enthusiasm.

Social Outreach Programmes conducted by the NSS unit:

The NSS unit organized a number of activities in the session 2016-17 to establish a linkage between the campus and the community in true sense. A grant of Rs. 37,125 was sanctioned by the University of Calcutta for the said purpose. Some of the activities organized by the NSS unit during the session 2016-17 are listed below:

- Under the initiative of the NSS unit and Humming Bird Nature club, ‘**Vanomahotsav**’ (tree plantation festival) was celebrated on **13th July, 2016**. A rally, ‘Walk for Tree’ was also organized on the same day from the college campus to the Shahid Smriti Yuva Shakti Sangha Club. The teachers, students, non-teaching staff and the alumni members of the college joined the rally with colourful posters bearing relevant slogans. Tree saplings were planted within the college campus as well as in Shahid Smriti Colony to generate awareness on clean environment among the residents.
- On 14th September, 2016, a seminar was organized on Health and Cleanliness and lecture was delivered by Dr. Tapas Jana on ‘Cleanliness and Healthy Habits’ along with slide show.
- On 15th September, 2016, the NSS unit organized a poster competition on cleanliness.
- A cleaning programme was also organized on the same day with active participation of the students, teachers, non-teaching staff, alumni members and other stake holders.
- On 24th September, 2016, what’s App group, ‘NSS Yuva Bahini’ has been formed under the initiative of the Programme Officer, Smt. Lypsy Mohanty Roy to maintain regular communication.
- On 4th October, 2016 the teachers and members of NSS unit visited a local old age home, ‘Seva’, and spent some time with the elderly people there to boost them up mentally.
- On the 3rd of November, 2016, a field visit to *Santragachhi Bil* (wetland) was arranged for bird watching under the joint initiative of the NSS unit and the Department of Zoology. A report has also been prepared subsequently by the students under the supervision of the concerned teachers where the basic observations on the avi fauna of the Santragachhi wetland, the threats and hazards they are facing and some possible solutions are summarized.
- In connection with the celebration of National Youth Day on 13th January, 2017, a thalassemia screening camp was organized within the college premises.

Cultural activities:

The major cultural events organized during the session of 2016-17 are:

- A ‘Sit and Draw’ competition.
- An essay competition on ‘Adolescence: Its Social Value’.
- The Annual Cultural Programme and Prize Distribution ceremony on 22nd September, 2016.

Prize Distribution:

To appreciate the commendable performances of the students in the field of academics, cultural activities and sports, the institution felicitates those students giving prizes. Moreover, to inculcate reading habits among the students a prize for the best library user has also been instituted. In session 2016-17 the Prize distribution ceremony was held on 22nd September, 2016. A list of the recipients of prizes for general proficiency and other activities is presented below:
