Sammilani Mahavidyalaya

an abode of learning in the southern fringe of Kolkata

The college is located in the southernmost fringe of Kolkata adjoining South 24 Parganas at a very convenient location - 100, 300 & 500 meters from Highland Park bus stop, Baghajatin rail station and Satyajit Ray Metro rail station, respectively. In spite of bustling with the 'city of joy' having hospitals, supermarkets and posh residential complexes in its surrounding, the college has been transformed into a serene abode of learning in the middle a lush green vegetation. This strategic and nodal point location is one of the reasons to make Sammilani Mahavidyalaya a preferred institute of college education for the pupils of rural areas of South 24 Parganas as well as from the nearby city areas.

HISTORY OF THE COLLEGE

Sammilani Mahavidyalaya was established on the 12th of December 1996 by the initiative of some academically inclined entrepreneurs, with a definite objective to impart knowledge and skill to the young generation of the vicinity. On the 1st of June 2003, UGC granted the college the status to receive financial assistance U/S 12(B) of the UGC Act.1956. The college is on the path of continuous improvement in its educational services and resources. As the testament to that it has been accredited by the National Assessment and Accreditation Council (NAAC) twice - in 2005 with grade 'B' and in 2016 with grade B++. It was also assessed by the Department of Higher Education, Govt. of West Bengal in January, 2010 under the State Level Assessment Programme (SLAP). Later on awarded with the 'Performance Cum Need Based Incentive Scheme' in June 2010. It has also earned ISO 9001: 2015 Certification for Quality Management System & Quality Audits—Environment Audit, Green Audit and Energy Audit.

VISION

The vision of Sammilani Mahavidyalaya is to evolve as an institute of academic excellence and repute to offer quality education to its students majority of whom are first generation learners and belong to economically weaker sections (EWS) of the society; it is committed to all round development of the students to develop a bright society. The logo of the college, portraying a lamp and an open book, appropriately symbolizes its vision of illuminating the pure souls of the young learners with the light of knowledge and wisdom to accomplish life through achievements.

MISSION

In fulfilling its vision, the institution pursues to set its mission as stated below:

- ❑ Imparting quality education in its true sense, on an inclusive basis to the students of all strata of the society with special care for the under-privileged and needy students.
 - ❑ Developing skills of the students to ensure better employment prospect.
 - ❑ Inculcating social and humane values in the young minds of the students.
 - ❑ Generating sense of responsibility and Commitment towards the society among the students, so that each of them can become a self-reliant and responsible citizen of the country.
 - ❑ Introducing new courses and subjects having career potential and relevance to the society's emerging needs.
 - ❑ Building up ecological consciousness sensitivity and awareness on the current global and pan Indian issues.
- These broad-spectrum mission statements are dynamic in character and have provisions for reorientation and modification in accordance with the upcoming needs and changing societal scenario.

All power is within you; you can do anything and everything.
-Swami Vivekananda

-Dr.Sarvepalli Radhakrishnan

From the Principal's desk:

Sammilani

Mahavidyalaya has begun its journey embracing a new policy of education – NEP 2020 – since 2023 for the benefit of the youths. Commensurate with its vision it has been trying to accomplish its mission of providing quality higher education accommodating emerging subjects, courses, skills, technologies and newer professional avenues.

Ample flexibility to opt courses from Arts, Science and Commerce subjects are offered in the ambit of its affiliation to the University of Calcutta. Conventional subjects like Bengali, English, Sanskrit, History, Political Science, Philosophy, Economics, Chemistry, Mathematics, Physics, Zoology, botany, etc. to subjects of the time demand like Computer Science, Education, Film Studies, Microbiology, Molecular Biology, etc. are included in the spectrum of its undergraduate curricula at a meager course fees. Add-on and certificate courses in almost all subjects are offered to enable the students to be ready to accept the challenges of the time. All students are engaged in internships not only to fulfill their course and programmes objectives but also to make the new generation fit for employment. Value added courses, NSS, extension activities and other extra-curricular activities are meant to groom them as sensible human beings and responsible global citizens. Under the flagship name of 'Sabuj Sammilani' more than a dozen environment friendly initiatives have been taken not only to have lush green campus but also to generate awareness on environ protection.

Sammilani Mahavidyalaya boasts 27 laboratories including 7 computer laboratories, 25 classrooms including 9 smart classrooms, internet for all through WiFi, an advanced library and other facilities required for disseminating higher education of a global standard. It has a glorious track record of its alumni members placed in organizations of national and international repute, and/or doing research abroad. Placement and Career Counseling Cell organises workshops, training programmes, job fair and placement drives to enable the students in direct recruitment and/or explore all avenues for employment.

Vibrant faculty members are experienced, energetic and sincere in their duties and responsibilities. They blend traditional teaching methodologies with modern technology-enabled methods and equipment for delivering quality higher education. Interactive teaching-learning using ICT has become the norm of the days at this institution. Extra-academic cultures that offer scope of experiential learning, group learning, problem solving, excursion, field work, etc. are meant to engage the students in 360o learning experience in this institution.

Student progression is monitored continuously by conducting periodical tests/class tests to review their attainment of course/programme objectives. Personal attention is given to each and every student by the teachers for their academic as well as personal well-being. Realizing that the understanding ability as well as learning levels of students differ, remedial classes are offered for weak learners. At the same time, the advanced learners are encouraged in project writing, presentation of papers in seminars, delivering extempore, participating in debates, quizzes, etc.

'Discipline is the most essential virtue of a disciple'. Believing the line, the College has adopted a stringent policy on 'zero tolerance to ragging' and to any kind of sexual harassment. The Anti-ragging Cell and the Internal Complaints Committee are not only active but also vigilant on the menaces. For the safety and security of all the students, restricted entry in the gate and CCTV all over the campus is in place.

Students are the first stakeholders of an institute of education. They are expected to make rational and judicious use of infrastructure and resources available for their own future. At this institution they are encouraged to write a few lines if they have any kind of grievances and drop the complaint letter in the Complaints Box. They are duty bound to offer your valuable feedback on overall improvement of infrastructure, facilities, resources, support systems and teaching-learning at Sammilani Mahavidyalaya.

We have a pledge to ensure enjoyable and memorable college days for each and every student at Sammilani Mahavidyalaya.

COLLEGE FACILITIES CENTRAL LIBRARY

The central library serves as a hub for advancing knowledge, purposefully crafted to cater to the academic requirements of both students and faculty. Within the Central Library, there exists a wealth of educational materials, including books, magazines, journals, encyclopedias, databases, project reports, audio/video cassettes, and an extensive question bank, all accessible through the Internet. Utilizing a partially automated library management system, users can seamlessly tap into the resources offered by the Central Library. Moreover, the Central Library offers ample seating arrangements and a tranquil environment conducive to learning.

Central Library has handled its day-to-day work through Koha (Integrated Library Management System) with RFID Technology. Presently, it has two different Reading sections for Teachers and Students as well. Currently 22,372 books have been e-catalogued through the Integrated Library Management Software and also have separate Reference section, career guidance section and UGC Net Resource Centre.

The Library provides computer access with high speed internet and Wifi facility to the users. The Library is providing e-journals and e-books to the students and the teachers through NLIST & DELNET consortium. The users can access various open access databases, Open Access Educational Resources etc. through our Digital Library beyond college hours.

Total no. of Printed Books: 22,372, Total No. of Printed Journals: 03 Total No. of E-Journals: 6000+ (Under N-List), Total No. of E-Books: 31,35,000+ (Under N-List)

Seating Capacity:

The library has two separate reading rooms for students and teachers with a seating capacity of 60.

Working Hours:

Monday to Friday 10 a.m. to 5 p.m., Saturday: 10 a.m. to 3.30 p.m. (N.B: Sunday and Holiday: Closed)

Internet connectivity:

High-speed broadband (via fiber optic) connection is available in the library.

Automation:

Automation of the library using KOHA (Integrated Library Management Software) is in full swing, and RFID system has been installed. We also provide WEB-OPAC service to our users. The Central Library is the member of N-LIST (National Library and Information Services Infrastructure for Scholarly content, Gandhinagar) and DELNET (Developing Library Network, New Delhi) for e-resource access.

P.C. CHANDRA KNOWLEDGE CENTRE :

Sammilani Mahavidyalaya received a grant of Rs. 2 lacs from the P. C. Chandra Group under the scheme of 'Gyandhara Prakalpa' for upgradation of the library of the college. Utilizing the grant, 'P.C. Chandra Knowledge Centre' was established with an objective of helping our students and alumni in pursuing their career. A separate room was renovated for the purpose. Books on career guidance, necessary furniture, two computers, and other accessories were purchased.

LABORATORIES :

At present there are 26 laboratories in total which are well equipped with necessary instruments and associated facilities.

OTHER FACILITIES

Boys' and Girls' Common room	There are separate boys' and girls' common rooms equipped with indoor game facilities.
Playground	There is a playground within the premises of the college where students regularly play cricket, football, and other outdoor games. The annual sports is also organized here.
Canteen	College canteen provides healthy and wholesome food to students and staff members.
Photocopy Centre	The photocopy centre is located in the college premises. Facilities like Internet service, printing, binding, etc. are also available in this centre.
Medical Facility	A medical store runs within the periphery of the institution for the benefit of staff, students, etc. First-aid service is available in the college.
Transport facilities	There is no need to provide transport facilities to the students and the staff because, being located very close to the E.M Bypass and Baghajatin Railway station, the college enjoys very good road and rail connectivity which completely satisfies the requirement of the Students and staff.
Power Facility	The college has two Generators of capacities 34 KVA and 2.4 KVA respectively to supply power at the time of power failure and low voltage. Besides, CESC has installed a Smart-meter on the college premises to ensure uninterrupted supply of electricity. Moreover, a solar power generation unit of 20KW comprising 80 solar panels has been installed to generate 35 to 40 units of electricity per day.
Pure Drinking Water	Six RO water filters have been installed in the college to ensure the supply of pure and safe drinking water.
Post-office	There is a Post-office within the campus of the college to provide services to the students, staff & also local community.
Bank	There is a Punjab National Bank with Branch name Sammilani Mahavidyalaya within the campus of the college to provide banking services to the students, staff & also local community.

N.B. Besides these, our college also provides different kinds of scholarships, govt. approved and non-govt., as well for needy and meritorious students.

"Discipline is choosing between what you want now and what you want most."
