### PARENTS TEACHER MEETING AND PROGRAMME ON PREVENTION OF CORONARY HEART DISEASE

Dear Parents,

Thank you for selecting Sammilani Mahavidyalaya for undergraduate study of your wards. We are always eager to offer the best education and related service for our youths. In order to do that we earnestly solicit your valuable feedback. Accordingly, we have arranged for a parent teacher meeting. You are requested to visit our college on 30.9.2024 attend a meeting with our respective departmental teachers at 12.00 noon.

In addition, we are organising an awareness programme on 'Prevention of Coronary Heart Disease'. We know that worldwide every 12<sup>th</sup> person is suffering from different types of heart diseases. In rural India, up to 7.4% and in urban India up to 13.2% of the populations are suffering from different types of heart ailments. One of the main reasons for the high rate of prevalence of heart disease is lack of proper awareness. At Sammilani Mahavidyalaya we are organising an awareness programme on 'Prevention of Coronary Heart Diseases' in association with Peerless Hospital, Kolkata for the parents/guardians of our students only. Dr. Ashok Bandyopadhyay (MS, MCH-Cardio Thoracic Surgery) will discuss the topic. I would like to invite you to attend the awareness programme on the day of parent teachers meeting at 2 pm in Vidyasagar Hall.

Thanking you all

With warm regards

(Dr. Chandan K. Jana, Principal)
